

BATHFORD VILLAGE SHOP – MARCH 2007

WEDNESDAY IS ORGANIC DAY

New in are locally sourced organic fruit and vegetables from Ashley, near Box.

Seasonal produce such as cauliflower, carrots and cabbage will be available every Wednesday morning from 10am. This initiative complements our existing fresh fruit and vegetable supplies available every day, many of which are grown in Batheaston. Orders and delivery are also available. So why not try to boost your 'five a day' with nutritious locally grown fruit and vegetables and see off those 'end of winter' blues!

A BIG THANK YOU TO VOLUNTEERS GOES DOWN WELL

A drinks party held last month to thank our sterling volunteers certainly helped fend off winter chills. There was a great turn out at Sycamore House for mulled wine and delicious canapés. Hospitality was second to none with live piano music adding to the overall convivial atmosphere. Thanks to the Jolliffe family and all those committee members who put on such a great evening.

We always welcome new volunteers - the shop is a great place to meet people. If you are interested do call 859186 or drop in anytime to discuss the possibility with Paul Faulkner (shop manager) or any of the volunteers.

PLANT AN EXTRA ROW FOR THE SHOP

With Spring around the corner many of us are looking forward to getting out in the garden or over to the allotments to plant vegetables. If you love growing veg do consider planting an extra row to donate to the shop - our customers love fresh local produce!

CROISSANTS TO ORDER DAILY

Did you know freshly baked croissants, pains au chocolat and pains au raisin are available to order any day of the week? Of course, we continue to bake our delicious pastries for all on Saturday and Sunday mornings.

WORK EXPERIENCE

We are delighted that several young people are working in the shop as part of community volunteering schemes such as the Duke of Edinburgh's Award. If any more young adults are interested in getting involved, please do give the shop a call.

LOST...AND FOUND

We have a fascinating array of property which has been left at the shop so do pop in if something has gone missing. Conversely, if you find anything lost around the village, bring it to the shop and we will hold on to it and try and reunite it with the rightful owner. Of course, if you find anything of significant value, please contact the police.

STOP PRESS...

The shop will soon be stocking frozen food. Call in the shop and tell us what you would like us to stock! Watch this space for more details!
