

# BATHFORD PARISH COUNCIL

## Volunteer Snow Wardens

### Your help is needed

Bathford Parish Council is taking part in a Snow Pilot Scheme with BANES. We are looking for volunteers to help with clearing snow in side streets. We will provide

Salt

A manual salt sprinkler

Organisation

(two councillors have been appointed as 'Snow Wardens')

Here's how it will work:-

- We ask you to volunteer in advance to help when there is snow
- We will give you 2-6 bags of salt, of 25 kgms to store in advance. The bags are waterproof but should not be left outdoors
- We AIM to get the salt down before the snow falls. To help us do this, BANES will provide us with specialist forecasts which are reliable 2-3 days in advance. We will forward these forecasts to the volunteers
- We aim to work in daylight
- At the agreed time we will bring along the spreader (100 yards of level two lane highway takes about 10 minutes to spread)
- We need to spread less salt than we think (one tablespoon to one square metre), hence the need to use the spreader. If it is not available, use a stiff brush.
- 

### **If you can help, please send your details to the Clerk of the Council:**

Your name, address, phone number, mobile phone number, email address

We will set up a local emailing list for volunteers to keep you informed. We will see if we can use text messages and Twitter.
